some of the nation's most innovative health systems are seeing results by partnering with janus health.

BaylorScott&White HEALTH • Carle • Memorial Healthcare System • UnityPoint Health • THE UNIVERSITY OF CHICAGO MEDICINE

JANUSHEALTH

transform your revenue cycle operations with us.

Operational Intelligence suite

Workforce Management

Gain insights across teams, systems, and applications for a comprehensive understanding of work. Evaluate productivity and effectiveness to pinpoint areas for improvement.

Process Intelligence

Visualize and analyze workflows for enhanced team performance. Process Maps identifies areas for refinement while Optimal Path illuminates the fastest path to success.

Denial Insights

Understand denial patterns, monitor trends, and implement interventions for improved revenue capture — all in a user-friendly dashboard, no analytics expertise required.

Automations suite

Prior Authorization
Reduce denials and enhance patient satisfaction with end-to-end prior authorization.

Enriched Claim Status
Expedite appeals and lower cost to collect with rich claim details integrated into your EHR.

Notice of Admission
Improve efficiency and accuracy by automating payer notifications for admission.

Teleport for Claims
Reclaim thousands of hours for your staff by fast-forwarding payer portal login and navigation.

1–2%
yield improvement*

15–30%
cost savings improvement*

2–5 days
cash acceleration*
